

# Outstanding Accounting and Finance Student

## *Carlton Jones*

Carlton has pursued his education while working full-time and maintaining a very high GPA. Although Carlton juggles a busy schedule, he is always willing to mentor and help fellow accounting and finance students. Carlton participated in this year's VITA program, where he helped low-income and senior complete tax their returns. It is the consensus opinion of the Accounting and Finance faculty that Carlton displays the attributes that promote the excellence.
